8. Crocodile Rock

I remember when rock was young
Me and Suzie had so much fun
Holding hands and skimming stones
Had an old gold Chevy and a place of my own

But the biggest kick I ever got
Was doing a thing called the Crocodile Rock
While the other kids were Rocking Round the Clock
We were hopping and bopping to the Crocodile Rock

Well Crocodile Rocking is something shocking
When your feet just can't keep still
I never knew me a better time and I guess I never will
Oh mama mama those Friday nights
When Suzie wore her dresses tight
And the Crocodile Rocking was out.... of sight
(the second time through, finish here with La lalalala la lalalala la lalalala la x3)
La lalalala la... lalalala la... lalalala la....

But the years went by and the rock just died
Suzie went and left us for some foreign guy
Long nights crying by the record machine
Dreaming of my Chevy and my old blue jeans

But they'll never kill the thrills we've got
Burning up to the Crocodile Rock
Learning fast as the weeks went past
We really thought the Crocodile Rock would last

Well Crocodile Rocking is something shocking
When your feet just can't keep still
I never knew me a better time and I guess I never will
Oh mama mama those Friday nights
When Suzie wore her dresses tight
And the Crocodile Rocking was out... of sight
La lalalala la... lalalala la... lalalala la... (repeat song from the beginning)

10. Something so Strong

Love can make you weep
Can make you run for cover
Roots that spread so deep
Bring life to frozen ground

Something so strong could carry us away
Something so strong could carry us today

Turning in my sleep
Love can leave you cold
The taste of jealousy
Is like a lust for gold

Something so strong could carry us away
Something so strong could carry us today

I've been feeling so much older
Frame me and hang me on the wall
I've seen you fall into the same trap
This thing is happening to us all, yeah

(music)

Something so strong could carry us away
Something so strong could carry us today, yeah

Something so strong
Something so strong
Something so strong
Something something, so strong....aaahhh!!! oohh oohh oo-oo!

11. Eye of the Tiger

Rising up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

Chorus:

It's the eye of the tiger
It's the dream of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his prey in the night
And he's watching us all with the eye of the tiger

Face to face, out in the heat
Hanging tough, staying hungry
They stack the odds still we take to the street
For the kill with the skill to survive

CHORUS

Rising up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger
It's the dream of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his prey in the night
And he's watching us all with the eye..... of the tiger

The eye of the tiger x4

12. True Colours

Part 1

You with the sad eyes,
Don't be discouraged, oh I realise
It's hard to take courage
In a world full of people.
You can lose sight of it all,
And the darkness inside you can make you feel so small.

CHORUS together with harmony.

But I see your true colour shining through.
I see your true colours
That's why I love you
So don't be afraid, to let them show
Your true colours, true colours
Are beautiful like a rainbow.

Part 2

Show me a smile then,
Don't be unhappy, can't remember when
I last saw you laughing.
If this world makes you crazy
And you've taken all you can bear.
You call me up,
Because I know I'll be there.

CHORUS

Together

If this world makes you crazy
And you've taken all you can bear
You call me up, because you know I'll be there.

CHORUS

14. 1999

I was dreamin' when I wrote this, forgive me if it goes astray
But when I woke up this mornin', could've sworn it was judgment day

The sky was all purple, there were people runnin' everywhere
Tryin' to run from my destruction, you know I didn't even care

Say say two thousand zero zero party over, oops, out of time
So tonight I'm gonna party like it's nineteen ninety-nine

I was dreamin' when I wrote this, so sue me if I go too fast
But life is just a party and parties weren't meant to last

War is all around us, my mind says prepare to fight
So if I gotta die I'm gonna listen to my body tonight
Yeah....

They say two thousand zero zero party over, oops, out of time
So tonight I'm gonna party like it's nineteen ninety-nine

Yeah, yeah
Let me tell you somethin'

If you didn't come to party, don't bother knockin' on my door
I got a lion in my pocket and baby he's ready to roar

If the world's got a bomb, we could all die here today, aw
But before I let that happen, I'll dance my life away, oh

They say two thousand zero zero party over, oops, out of time
So tonight I'm gonna party like it's nineteen ninety-nine

Say it one more time

Two thousand zero zero party over, oops, out of time
So tonight I'm gonna party like it's nineteen ninety-nine
nineteen ninety-nine (don't ya wanna go)
nineteen ninety-nine

nineteen ninety-nine (don't ya wanna go) x2

Look how they shine for you

Look how they shine for you

Look how they shine

Both soloists together:

Look at the stars

Look how they shine for you

And all the things that you do

16. All Star

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets?
You'll never know if you don't go
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold

It's a cool place and they say it gets colder
You're bundled up now, wait till you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The water's getting warm so you might as well swim
My world's on fire, how about yours?
That's the way I like it and I never get bored

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
Only shooting stars break the mold

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show, on get paid
And all that glitters is gold
Only shooting stars...

Somebody once asked could I spare some change for gas?
I need to get myself away from this place
I said yep what a concept

I could use a little fuel myself
And we could all use a little change

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets?
You'll never know if you don't go (go!)
You'll never shine if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold
And all that glitters is gold
Only shooting stars break the mold
