## Term Four 2019

x

Flippa Ball is a fast growing water sport for Stadium 2000 Aquatic Centre. Many youngsters have now been exposed through previous rounds or our fundamental skills programme.

Flippa Ball is a modified version of water polo for beginners aged between 7 and up to and including 11 years (as at the first day of Term 4). It is a fun, simple game, all children can enjoy regardless of their height, gender and most importantly of all, their swimming ability

Please remember this is children's sport and while we encourage competition it must be encouraged in a supportive and positive way.

For Flippa Ball Term 4 2019, Stadium 2000 is operating an in house social tournament. Teams will be created by Stadium 2000 aiming to have an even spread of different abilities in each team. Ages will range from 7 years old to 11 years old.

Stadium 2000 will try to accommodate participants to the best of their ability. Stadium 2000 reserves the right to close enrolment entry as soon as spaces are filled.
