

RICHMOND VIEW SCHOOL

MARLBOROUGH, NEW ZEALAND

Haere, Haere, Haere, Welcome to Richmond View School.
A school with many cultures and nationalities,
where students quickly feel at home.

Richmond View School sits close to the
Wither Hills in Blenheim at the top of the
South Island of New Zealand.

Surrounded by nature on all sides,
students benefit from access to the beach,
ocean, mountains, hills and the world-
famous Marlborough Sounds. Richmond
View is a small special character school
with children aged 5 to 18.

Our compact size means every child is known and receives excellent care and support. Class sizes are small, and students are encouraged to flourish in academic, sporting, and artistic pursuits. Being a special character school, we value personal character, service to others, and developing our God-given talents.

There are many options for individualised learning programmes, with students involved in academic and vocational pathways, studying towards NCEA levels 1-3. Blenheim is a safe, friendly town with rich sporting and excellent musical and artistic activities available to students, along with stunning scenery and active adventures on our doorstep.
